a Couple 'a REALLY hung dudes on public display!

BUT THERE'S A STORY TO THIS:

Once upon a time, these two drunks in a bar had to relieve themselves, so they proceed sluggishly to the restroom and discover a real, true-to-life, Irish leprechaun using the public urinal. "You're not REALLY a leprechaun, are you," exclaim the drunks at the little guy dressed in typical green?

"I surely be, laddie," confesses the dwarf looking up at the drunks but still busy facing the urinal.

"WOW! So now you have to grant us a wish! You know the rules!"

"Well! You beat me fair and square, laddie. What be your wish? Only ONE, mind you. One each!" Says the jolly 2-footer as he's pulling up his tight, green leotards - but not before the two hopefuls got a good look at the little man's not so little member hanging almost down to his ankle!

"Oh, I see you're amazed at me magic wand," smiles the leprechaun. "We leprechauns be gifted this way! Now, speak up! What's your wish?"

Both covetous drunks wished to be "REALLY HUNG"So they were!
